RECOVER REFRIGERANT

At Thermo King we recognize the need to preserve the environment and limit the potential harm to the ozone layer that can result from allowing refrigerant to escape into the atmosphere.

We strictly adhere to a policy that promotes the recovery and limits the loss of refrigerant into the atmosphere.

24 HOUR SERVICE - WARRANTY

24 HOUR SERVICE

This Directory contains a list of Thermo King Authorised Service Workshops in Europe, Middle East, Africa and India. These workshops are staffed by Factory Trained Mechanics to offer the operator of Thermo King Temperature Control Equipment rapid and skilled service should it be needed.

This service is available 24 hours a day, 7 days per week. To avail of the 24 Hour Service please call the telephone number marked "24 Hours" at the service location nearest to you. In cases where an answering machine is used please leave a message giving the following details:

- Your Name
- Type of Fault
- Telephone Number where you can be contacted
- Type of Thermo King Unit
- How you will pay for the repair

Repairs carried out in the workshop are always more efficient and cost effective than those done on a call out basis. If you are mobile it is always preferable to go to the Dealer Workshop and have the work carried out there. Where this is not possible and the dealer must be called out, a call out charge as well as the appropriate overtime labour rate will be applied.

WARRANTY

Please refer to the Warranty Statement on the reverse side of your Warranty Registration Document supplied with your equipment. For a full copy of complete warranty conditions please see your local Thermo King Dealer. Please remember the following important points in relation to warranty:

THERMO ASSISTANCE

- 1) The Warranty Policy covers only equipment supplied by Thermo King.
- 2) The Warranty Policy covers the replacement of defective parts and the necessary labour to replace these parts during normal working hours.
- 3) Call out charges, travel time and mileage or overtime labour rates are not reimbursed under warranty.

THERMO ASSISTANCE

Thermo Assistance is a multi lingual communication tool designed to put you in direct contact with an authorised Service Dealer should you require one. To use this system you need the following information before you call.

- How you will pay for the repair

When you have all of this information call Thermo Assistance
00 800 80 85 85 85.

Please note that Thermo Assistance cannot guarantee payments and the service is designed for the exclusive use of refrigerated transporters with products manufactured by Thermo King.

Dit adresboek bevat een lijst met erkende Thermo King-servicewerkplaatsen in Europa, het Midden-Oosten, Afrika, en India. Deze servicewerkplaatsen hebben speciaal door de fabriek opgeleide technici in dienst, die u als gebruiker van de Thermo King temperatuur-regelapparatuur snelle en vakkundige service bieden als u die nodig mocht hebben.

Deze service staat 7 dagen per week, 24 uur per dag voor u klaar. Wilt u gebruik maken van de 24 uurservice, dan belt u het nummer van de servicewerkplaats. Indien er gebruik wordt gemaakt van een automatisch antwoordapparaat, gelieve de volgende gegevens in te spreken:

- Uw Naam ▪ Aard van het defect
- Telefoonnummer waar u bereikbaar bent ▪ Betalingswijze
- Type Thermo King Unit

Reparaties die in de werkplaats worden verricht zijn altijd efficiënter en goedkoper dan reparaties op locatie. Indien u over vervoer beschikt, verdient het altijd de voorkeur om naar de dealer-werkplaats te gaan om de werkzaamheden daar te laten verrichten. Indien dit niet mogelijk is, en de dealer de reparatie op locatie moet verrichten, worden voorrijkosten en overwerksarbeitskosten in rekening gebracht.

GARANTIE

Op de achterzijde van uw garantie-registratiekaart die u bij de apparatuur hebt gekregen, staan de garantiebepalingen voor uw apparatuur vermeld. De volledige garantiebepalingen kunt u aanvragen bij uw plaatselijke Thermo King-dealer. Gelieve de volgende belangrijke punten m.b.t. de garantie niet vergeten:

THERMO-HULPDIENST

- 1) De garantie dekt alleen de door Thermo King geleverde apparatuur.
- 2) De garantie dekt de vervanging van defecte onderdelen en de arbeid die nodig is om deze onderdelen te vervangen tijdens de normale werken.
- 3) Voorrijkosten, reistijden en kilometervergoeding of overwerktoeslagen vallen niet onder de garantie.

THERMO-HULPDIENST

De Thermo-Hulpdienst is een meertalig communicatiesysteem, opgezet om u in direct contact te brengen met een erkende service-dealer als u die nodig mocht hebben. Wilt u dit systeem gebruiken, dan moet u eerst beschikken over de volgende gegevens voor u gaat bellen:

- Het nummer waar u te bereiken bent ▪ Waarschijnlijke oorzaak van het defect
- Type Thermo King Unit ▪ Is de garantie van de eenheid nog geldig
- Thermostaat Stand ▪ Hoe u de reparatie gaat betalen
- Huidige temperatuur van de lading

Als u al deze informatie hebt, belt u de Thermo-Hulpdienst:
00800 80 85 85 85

Geef de medewerker van de Thermo-Hulpdienst uw naam en een nummer waar u telefonisch bereikbaar bent, en vraag hem of hij u terug wil bellen. Als u wordt teruggebeld door de Thermo-Hulpdienst kunt u de bijzonderheden doorgeven van de gewenste service, waarna de reparatie wordt geregeld.

Denkt u eraan dat de Thermo-Hulpdienst geen betalingen kan garanderen, en dat de service zich uitsluitend beperkt tot koelwagens met apparatuur gefabriceerd door de Thermo King.
